AGREEMENT BETWEEN:

THE CORPORATION OF THE TOWN OF OSOYOOS,
(hereinafter called the "Employer")

AND:

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 608,
Chartered by the Canadian Union of Public Employees and affiliated with the Canadian Labour
Congress
(hereinafter called the "Union")

ARTICLE 1 PREAMBLE

1.01 Preamble

This Agreement is entered into for the purpose of promoting and continuing the good relationship between the Corporation of the Town of Osoyoos and its employees represented by the Union; to secure prompt and equitable disposition of grievance and to establish conditions of employment, rates of pay and hours of work.

ARTICLE 2 RIGHTS OF MANAGEMENT

2.01 Rights of Management

The Union agrees that the management and control of the Employer's business and the direction and control of the Employer's work force are vested exclusively in the Employer, subject only to the limitations imposed upon the Employer by the provisions of this Agreement. The Union further recognizes and agrees that the Employer retains all the customary rights, responsibilities, functions and prerogatives of the management, except as expressly modified or restricted by a specific provision of this Agreement.

ARTICLE 3 UNION RECOGNITION AND BARGAINING UNIT

3.01 Bargaining Unit

The Employer recognizes the Union as the sole exclusive bargaining agent for all of its employees covered by Schedule "A" of this Agreement and hereby consents and agrees to confer and/or negotiate with the Union, or any of its authorized committees, concerning all matters affecting the relationship between the Employer and the Union.

Volunteers will not be permitted to perform work which will result in members of the bargaining unit being reduced in regular hours or placed at risk of lay-off.

3.02 Work of the Bargaining Unit

It is further agreed that, except for incidental or emergent situations or except for employees of a bona fide contractor who are not in the bargaining unit for which the Union is certified, any person whose classification is not covered by the Agreement shall not perform work that is normally done by those employees who are deemed to be within the bargaining unit for which the Union is certified.

3.03 Contracting Out

The employer shall not contract out work where it results in the lay off or reduction of hours for any employee or failure to recall of a laid off regular employee who has recall rights.

No regular employee covered under this agreement shall lose their job or suffer reduction in regular working hours as a result of the Town contracting out any work. The Town agrees that any work or services presently performed by the bargaining unit shall not be contracted out except in cases of emergency when no bargaining unit employee is available.

3.04 Application

Employees whose jobs are not covered by Schedule "A" of this Agreement are hereby excluded from the terms and conditions of this Agreement.

If, upon application to the Labour Relations Board by either the Union or the Employer, the said Board rules that any person, whose job classification is not included in Schedule "A", is an employee within the meaning of the Labour Relations Code and is included in the unit for which the Union is certified, the Employer shall forthwith institute a new classification for such person and all the provisions of this Agreement shall apply thereto.

ARTICLE 4 NO DISCRIMINATION

4.01 No Discrimination

The parties agree that there shall be no discrimination, interference, restriction or coercion exercised, or practised, with respect to any employee regarding employment or any term or condition of employment because of the race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation or age of that person or because that person has been convicted of a criminal or summary conviction offence that is unrelated to the employment or to the intended employment of that person, nor by reason of their membership or lawful activity in a labour union.

4.02 Singular and Plural

Whenever the singular is used in this Agreement, it shall be considered as if the plural has been used where the context of the party or parties hereto so require.

4.03 Respectful Workplace

The Employer and the Union respect the rights of all individuals and is committed to providing a working environment free from personal and sexual harassment.

Any complaint alleging harassment will be dealt with in a grievance procedure and will commence at Step 2 as outlined in Article 11. Grievances will be handled with all possible confidentiality.

Discrimination and harassment relates to any of the prohibited grounds contained in the BC Human Rights Code.

ARTICLE 5 UNION SECURITY

5.01 Maintenance of Membership

Every employee who is now or hereafter becomes a member of the Union shall maintain their membership in the Union as a condition of their employment, and every new employee whose employment commences hereafter shall within thirty (30) days after the commencement of their employment, apply for and maintain their membership in the Union as a condition of employment.

It is understood that assessments shall include any initiation fees.

Union Shop Stewards shall be permitted time off to handle grievances without loss of pay, provided they have first sought and obtained permission from their immediate supervisor to absent themselves from their regular duties for that purpose, which permission shall not be unreasonably withheld. Although this could result in additional time, it shall not lead to overtime.

11.02 Definition of Grievance

"Grievance" means any difference between the persons bound by this Agreement concerning its interpretation, application, operation, or any alleged violations thereof, including any question as to whether any matter is arbitrable, and shall also mean any difference arising from disciplinary action or relating to employment where it is alleged that the Employer has acted unjustly. ARTICLE 14 EMPLOYEE CATEGORIES

14.01 Employee Categories Defined

- a) **Full Time Employee** – an employee who has completed the probationary period and who is working the normal hours of work as per Article 20.
- b) **Part Time Employee** – any employee who is hired on a regular basis and who regularly works less than thirty (30) hours per week.

Any part time employee who becomes a full time employee will carry time worked as a part time employee to the full time seniority list. A seniority date will be established by dividing the total hours worked as a part time or relief employee and backdated as necessary.

The calculation used for determining seniority will be established by: dividing the total hours worked to date by two thousand and eighty (2,080) hours for outside workers or one thousand eight hundred and twenty (1,820) hours for inside workers.

- c) **Relief Employee** – a person who is employed for a specified period of time to fill a position which is available due to the absence of an employee through illness, accident, vacation, or approved leave of absence, or extra workload. Any position occupied by a relief employee shall be assumed by the person normally holding the position upon their return from leave. Relief employees will continue to accumulate seniority based on hours worked, including statutory holidays.

Any relief employee who becomes a full time employee will carry time worked as relief to the full time seniority list. A seniority date will be established by dividing the total hours worked as relief and backdated as necessary.

The calculation used for determining seniority will be established by: dividing the total hours worked to date by two thousand and eighty (2,080) hours for outside workers or one thousand eight hundred and twenty (1,820) hours for inside workers.

Upon the termination of a relief employee's assignment in any classification they may exercise their seniority by bumping a less senior relief employee, provided they possess the necessary skill, ability and qualifications and the position they wish to attain is expected to last for at least one (1) month beyond the date of request.

- d) **Student** – a person employed by the Employer for remuneration who is attending school, college or university and who intends to return to school, college or university in the subsequent academic year. A student shall be paid in accordance with Schedule "A" plus six percent (6%) vacation pay on the employee's gross pay. A student shall not be entitled to accrue seniority. Students shall not be entitled to benefits under Articles 28.02, 30 and 31.

- e) **Grant Workers**

All Grant Workers will be considered employees insofar as the Employer is concerned. The conditions of employment, term, rate of pay and benefits will be negotiated between the Employer and the Union prior to any grant application. Grant Workers shall not be entitled to accrue seniority.

- f) **Probationary Employees**

RE: Job Training

The parties agree that, where operational requirements present a need and opportunity for on the job training and where it is economical and efficient to undertake such training, the Employer will post such opportunity in a manner to inform employees in the bargaining unit.

It is understood that, where training is provided, employees eligible for training must be currently working in the occupational group within which training is available.

Where a training opportunity becomes available and more than one (1) employee indicates an interest in acquiring that training, the Employer will assess qualifications, skills, ability, knowledge and previously demonstrated initiative to acquire training, relative to the classification being trained for; and where all else is equal, seniority would prevail.

The parties intend that training is provided as a means whereby employees can improve their qualifications in the event of a vacancy arising, in the future. Training of employees should not be utilized to circumvent the seniority or promotion provisions of the collective agreement.

The above process also applies to employees being displaced by the contracting out of their jobs.

RE: Lead Hand – Water/Wastewater

Whereas the Employer would like to provide the opportunity for the development of staff in a supervisory role within the water and wastewater section of the Operational Services Department; and

Whereas this supervisory position would consist of the placement of an existing FTE in the role of Lead Hand – Water/Wastewater ("Lead Hand") for the water and wastewater section; and

Whereas the position would not be in addition to the four Water/Wastewater Operator FTE's already with in the collective agreement and would be filled from current staffing levels.

1. The position of Lead Hand would be supplemented with a \$1.25 increase in hourly rate for the duration of the term;
2. The term is limited to one (1) year with the option to extend to two (2) years should the employer warrant the need;
3. The Lead Hand position will be posted in accordance with the current Collective Agreement;
